FEES AND EXPENSES

Mortgage and lending planning fee

- **Trish Greenwood Mortgage & Insurance advisers** are usually remunerated by way of commission, by the providers of the loan products we recommend. On occasion, some providers may not pay a commission. In this situation, we will charge a fee for our advice. The fee payable will be a reflection of the time required to obtain a loan approval for you. Where a fee will be payable for the advice, your **Trish Greenwood Mortgage & Insurance** adviser will agree the amount of the fee with you *prior to obtaining a lending approval*. This fee can be added to your loan amount and will be paid to **Trish Greenwood Mortgage & Insurance** at the time your loan is advanced.
- Where **Trish Greenwood Mortgage & Insurance** adviser has obtained an approval from a lender who does pay commission, but you decide not to proceed with the loan, a fee of up to \$1000 will be payable as remuneration for the time spent on getting an approval. This fee is payable within 7 days of you deciding not to proceed with an approval.

Mortgage and lending service fee

- Should you proceed with a loan implementation after advice from your **Trish Greenwood Mortgage & Insurance** adviser, and then repay or refinance your loan within two years of your loan being advanced, without giving your **Trish Greenwood Mortgage & Insurance** adviser the opportunity to assist you with a refinance, **Trish Greenwood Mortgage & Insurance** may charge you a fee of up to \$1500.

Insurance Service Fee

No fees are payable by you for insurance advice. However, **Trish Greenwood Mortgage & Insurance** may charge a fee for financial advice provided to a client if the client cancels a life or health insurance policy within two years of inception. Specific fee information will be advised when the advice is provided. This fee will be payable by the client by the 20th of the month after the policy is cancelled.

CONFLICTS OF INTEREST

For life insurance and health insurance, **Trish Greenwood Mortgage & Insurance** and the financial adviser receive commissions from the insurance companies whose policies we can recommend. If you decide to take out insurance that we recommend, the insurer will pay a commission to **Trish Greenwood Mortgage & Insurance** and/or the adviser who provides your advice. The amount of the commission is based on the amount of premium associated with your cover; specific commissions will be advised to you when advice is provided.

For mortgages and lending, **Trish Greenwood Mortgage & Insurance** and the financial adviser receive commissions from some of the lenders we can provide recommendations for. If you proceed to implement lending with the lender recommended to you, the lender will pay a commission to your financial adviser. The amount of the commission is based on the amount of the lending; specific remuneration will be advised to you when advice is provided.

From time to time, product providers may also reward us for the overall business we provide to them. They may give us tickets to sports events, hampers, or other incentives.

To ensure that our financial advisers prioritise the client's interests above their own, we follow an advice process that ensures our personalised recommendations are made on the basis of the client's goals and circumstances, as advised to us. **Trish Greenwood Mortgage & Insurance** financial advisers complete regular training, including how to manage conflicts of interest. Each adviser has a regular compliance review of their advice process and our compliance programme is reviewed annually by our external compliance adviser.
